

My Mom who was 92 years old with dementia, was a guest at Ardent Manor. It was a wonderful experience for my Mother who was greeted with love, kindness and understanding. I know she loved everyone at Ardent Manor. Helen and Dan Waite are very special loving people and made everyone including me feel like part of their family. The City of Naples is very lucky to have a place like Ardent Manor where caregivers can bring their loved ones to a safe and happy place.

They also have a wonderful staff who makes everything run smoothly and professionally.
