

I want to thank you all for the wonderful warmth and care my mother received all season long at Ardent Manor. Each and everyone of you are so special and excellent at what you do. I will never forget you caring warm smiles in the morning when I came in with Mom and the same warm smile when I came to pick her up. Thank God for Ardent Manor and their day services. My Mom always had such good care and I would recommend Ardent Manor to any Family that is looking for a safe, clean, warm Day Center for Adults. Please feel free to use my name and # for any references as needed. Take care! THANK YOU FOR EVERYTHING!!!!
